

# The Wilkinsons, One Faithful Heart

(Steve Wilkinson/Charlie Black/Rory Michael Bourke)

Time, it goes so fast  
Like a river running past  
And you're lucky if you find at last  
Just one faithful heart

So I watch her as she sleeps  
All curled up in her dreams  
Somewhere beneath the quilt and sheets  
Gently beats one faithful heart

As constant as the northern star  
And as sure as gravity  
Her love makes me complete  
Makes my life so sweet

This night will slip on by  
Soon she'll open up her eyes  
And I will see the light that shines  
From just one faithful heart

I live to see the light that shines  
From just one faithful heart
