

The Wolf, The wolf and the lamb

Stunted growth of emotions
Incurable confused
Gazing at her reflections
Mentally abused
You kill the one you love
At the first opportunity
Wistful resolution
Carnal property
The wolf and the lamb
Marauding in the night
Unsuspecting bags never pray
The truth a broken spine
And life will never change
The wolf and the lamb
Drifting in sea of blood
Shivered to the bone
Accusing words don't reach my ear
Request for death is done
The wolf and the lamb
