

# The Wood Brothers, Glad

Lead shoes  
What I use  
When I'm runnin'  
Away from you  
And a golden rose  
That always knows  
'S good to see you  
But I'll be glad to see you go

&quot;I have missed you&quot;  
'S what I say  
When I'm wastin'  
Each day away  
And a cold wind  
Starts to blow  
'S good to see you  
But I'll be glad to see you go  
Good to see you  
But I'll be glad to see you go

I'm glad to see you go  
Oh-oh go  
I'm tryin' to be a mountain  
But it's not easy

Run and hide  
What I do  
When I'm tryin'  
To start anew  
And a knock on my door  
Scares me so  
'S good to see you  
But I'll be glad to see you go  
'S good to see you  
But I'll be glad to see you go  
Yeah, 's good to see you  
But I'll be glad to see you go

I'm glad to see you go  
Oh-oh go  
I'm tryin' to be a mountain  
But it's not easy
