

# The Yardbirds, Paff...Bum

(G. Reverbel / Bardotti / Paul Samwell-Smith)

Paff... bum,  
That's the sound of love.  
Paff... bum,  
That's the way love goes.  
Paff... bum,  
Well, I met you yesterday, yeah.  
Paff... bum,  
And now you've gone away.

Pretty girls are everywhere.  
Now you've gone,  
I just don't care.  
There will be,  
Another waiting there.

Paff... bum,  
That's the sound of love.  
Paff... bum,  
Well, that's the way love goes.

Pretty girls are everywhere.  
Now you've gone,  
I just don't care.  
There will be,  
Another waiting there.

Paff... bum,  
There'll be more tomorrow, yeah.  
Paff... bum,  
Well, that's the way love goes.  
Paff... bum,  
Paff... bum,  
Paff... bum,  
Paff... bum,  
Paff... bum.
