

# The Yardbirds, Stealing, Stealing

(Chris Dreja / Keith Relf / Jim McCarty / Jimmy Page)

Stealin', stealin',  
Mama, don't ya tell on me,  
I'm stealing back to the way I used to be.

Well, put your arms around me,  
Like a circle round the sun,  
Now (they's got the blue,?)  
We can have a little fun,  
How glad it's you,  
And not your sister with me now,  
Saw her yesterday,  
And she look's just like a ...,

Stealin', stealin',  
Mama, don't ya tell on me,  
I'm stealing back to the way I used to be.

I'm stealin', stealin',  
Mama, don't ya tell on me,  
I'm stealing back to the way I used to be.

Well, sit beside me baby,  
(?)  
The sun is shining out now,  
Just for you and I,  
Look, I mean to walk you home,  
Your mama's getting bad,  
So I'd rather stay at home.

Stealin', stealin',  
Mama, don't ya tell on me,  
I'm stealing back to the way I used to be.

I'm stealin', stealin',  
Mama, don't ya tell on me,  
I'm stealing back to the way I used to be.

Stealin', stealin',  
Mama, don't ya tell on me,  
I'm stealing back to the way I used to be.

Stealin', stealin',  
Mama, don't ya tell on me,  
...to fade
