

The Yardbirds, Think About It

(Keith Relf / Jim McCarty / Jimmy Page)

When will the clouds all roll away?

When will the good people have their say?

I hope you're still round to see the day.

Take a while,

Think about it.

Take a while,

Think about it.

Take a while,

Think about it.

Who can tell what is up or down?

You can be the king or be the clown.

Then climb your tree, take a look around.

Take a while,

Think about it.

Take a while,

Think about it.

Take a while,

Think about it.

Circles of life, an infinite plane,

That which is now now will be again.

Who can decide who is insane?

Take a while,

Think about it.

Take a while,

Think about it.

Take a while,

Think about it.
