

# The Yardbirds, Without You

(H. Young)

I don't wanna be without you,  
And I hope you feel the same too,  
'Cos, baby, if you care,  
Enough for me we'll share,  
A lifetime,  
Oh baby, be mine.

I don't wanna be without you,  
But, there's not a thing I can do,  
Believe that I'm the one,  
There's so much we haven't done,  
And I'll start,  
By giving my heart.

You hold your head so high,  
I know that you'll stand by me,  
Always, always,  
So baby, don't ask why,  
Just say that I'm your guy,  
Always, always.

I don't wanna be without you,  
I don't wanna have to go through,  
A lifetime of despair,  
I'll have if you don't share,  
Your world,  
By being my girl.

I don't wanna be without you,  
I don't wanna be without you,  
I don't...
