

# The Zombies, If It Don't Work Out

When she love me nothing in the world  
Can touch her loving now  
The light of love has gone  
Can I return the joy she's dreaming of  
I don't know  
I don't know

But if it don't work out  
The tears that I cried, babe  
(If it don't work out)  
Won't bring her home  
(If it don't work out)  
If it don't work out

Will she still care for me  
The way she did before, well  
She turned around and tells me  
She don't love me anymore  
I don't know  
I don't know

But if it don't work out  
The tears that I cried, babe  
(If it don't work out)  
Won't bring her home  
(If it don't work out)  
If it don't work out

But if I could forget  
The tears and the crying  
That I went through  
Once before  
Maybe my love, could start  
Start again

One day I know we'll find  
The candle that we had  
And I  
Will know and feel  
The joys and pleasures  
That I'm dreaming of  
And I don't know  
I don't know

But if it don't work out  
The tears that I cried, babe  
(If it don't work out)  
Won't bring her home  
(If it don't work out)  
If it don't work out

But if it don't work out  
If it don't work out  
If it don't work out  
If it don't work out
