

Thea Gilmore, Are You Sure?

Are you sure that it will be in vain
To show some love for your fat old man
Think before you answer
Are you sure?
Are you sure?

Are you sure itd be a waste of time
To stop and let your love light shine
Think before you answer
Are you sure?
Are you sure?

Are you sure? Are you sure?
Are you sure? Are you sure?
Think before you answer
Are you sure?

Are you sure that there will still be time
When you realise youve been blind
Think before you answer
Are you sure?
Are you sure?
Are you sure?
Are you sure?
