## Thea Gilmore, Are You Sure?

Are you sure that it will be in vain
To show some love for your fat old man
Think before you answer
Are you sure?
Are you sure?

Are you sure itd be a waste of time To stop and let your love light shine Think before you answer Are you sure? Are you sure?

Are you sure? Are you sure? Are you sure? Are you sure? Think before you answer Are you sure?

Are you sure that there will still be time When you realise youve been blind Think before you answer Are you sure? Are you sure? Are you sure? Are you sure? Are you sure?
