

Thea Gilmore, Sitting In Limbo

Sitting here in limbo but I know it won't be long
Sitting here in limbo, like a bird without a song
Well they're putting up resistance
But I know that my faith will lead me on

Sitting here in limbo waiting for the dice to roll
Oh yeah, sitting here in limbo, got some time to search my soul
Well they're putting up resistance
But I know that my faith will lead me on

I don't know where life will lead me
But I know where I've been
I can't say what life will show me
But I know what I've seen
Tried my hand at love and friendship
But all that is passed and gone
You know this girl is moving on

Sitting here in limbo waiting for the tide to flow
Oh, I've been sitting here in limbo knowing that I have to go, yeah
They've been putting up resistance
But I know that my faith will lead me on

I don't know where life will lead me
But I know where I've been
I can't say what life will show me
But I know what I've seen
Tried my hand at love and friendship
But all that is passed and gone
You know this girl, she's moving on

Sitting here in limbo waiting for the tide to flow
Oh yeah, sitting here in limbo knowing that I have to go, oh yeah
Well they've been putting up resistance
But I know that my faith will lead me on
Oh yeah, they're putting up resistance
But I know that my faith will lead me on

Sitting in limbo, yeah
sitting in limbo, limbo
Sitting in limbo, yeah
