

Thea Gilmore, Straight Up

Lost in a dream
I don't know which way to go
You are all that you sing
Baby, I'm moving away to sorrow

And I've been fooled before
Wouldn't like to get my love caught in the slammin' door
How about some information, please

Straight up, now
Tell me do you really wanna love me forever?
Wear my coat in a hit and run
Straight up, now
Tell me is it gonna be you and me together?
Or are you just havin' fun?

Time standing still
I wait for some small clue
And I, I keep getting chills
When I think your love is true

And I've been fooled before
Wouldn't like to get my love caught in the slammin' door
How about some information, please

Straight up, now
Tell me do you really wanna love me forever?
Wear my coat in a hit and run
Straight up, now
Tell me is it gonna be you and me together?
Or are you just havin' fun?

You are so hard to reach
You play hide and seek with your true intentions
And if you're only playing games
I just have to say lie now

Do, do you love me? Do, do you love me?
Say do, do you love me? Do, do you love me?
Do, do you love me? Do, do you love me?
Say do, do you love me? Do, do you love me?

And I've been fooled before
Wouldn't like to get my love caught in the slammin' door
Are you just hot for me?
Or am I just a page in your history book?
Well, I don't mean to make demands
But the word and the deed go hand in hand
So how about some information please

Straight up, now
Tell me do you really wanna love me forever?
Wear my coat in a hit and run
Straight up, now
Tell me is it gonna be you and me together?
Or are you just havin' fun?

Straight up, now
Tell me do you really wanna love me forever?
Wear my coat in a hit and run
Straight up, now
Tell me is it gonna be you and me together?
Or are you just havin' fun?

Do, do you love me? Do, do you love me?
Do, do you love me? Do, do you love me?
