

# Theatres des Vampires, Kain

Dancing in the circle of fire  
We are the children of madness  
Waiting... For the end of time  
No more heroes no more sorrows  
No more human lies  
Kain  
You will be my master  
Kain  
You will be my lover  
Kain  
You will be my father  
Kain  
You will do  
Something more  
Something more... Something more...  
You will do something more  
Lost in the shadows of time  
We are the angels of darkness  
Waiting...For the end of time  
No more heroes no more sorrows  
No more human lies
