

# Theatres des Vampires, Theatre Of Horrors

Infernal! This is my kingdom  
Pleasure from pain... pain... pain!  
Welcome in our theatre of horrors  
Welcome in the theatre of vampires  
This night you will be our victim  
Will become a vampire!  
Will look with other eyes!  
Will listen with other ears!  
Will drink with another mouth!  
Horror! This is my entertainment  
Enjoyment from the suffering  
Welcome in our unholy theatre  
In our prison of blood  
Will become a vampire!  
Will look with other eyes!  
Will listen with other ears!  
Will drink with another mouth!  
A Macabre symphony...  
A communion of blood and lust  
Perversion without limits, drink in the chalice  
Eat the body of Christ! Look! The horror show  
Flesh and blood... agony and pleasure  
Tonight you will become a vampire  
An angel of evil and death  
In the theatre of horrors, in the Theatre of Vampires
