

Theatres des Vampires, Vlad The Impaler

Blood is life!

I want blood of virgins for my glory...

Power and life

I was a fighter of god in his crusades

But god has caused the death of my bride

I was a fighter of enemies of the church

But god has destroyed my life

Blood is life!

I want enjoy with the suffering of others

My dark soul will be their torment

I want enjoy with tears of others

And kidnap the children

Eat their hearts... Drink their blood

And their skin will be walls

Bats... Come to me

Crows... Come to me

Wolves... Come to me

And come to me all creatures of the dark

Blood is life... And I want that blood

Be scattered on this land... Forever
