

# Therapy?, A Moment Of Clarity

I thought of you tonight, in simple twists and turns  
Incarcerated here, I'm handcuffed to your world  
Your innocence is cruel, coquettish and arcane  
But I need it all the same

I thought of you tonight, in silent seething heat  
Through charred and damned desire, dark Eros wounding me  
Your innocence is cruel, and your ass like Jesus feet  
Worth kissing, worth kissing

Give yourself to me, I share your need  
Give yourself to me and come to me  
Give yourself to me, I share your need  
Give yourself to me, I share your need

I thought of you tonight, through blank and starving eyes  
In this one moment of clarity, blink the darkness in my eyes  
Your lips like bruised vulva, your ass like Jesus feet  
Worth kissing, give yourself to me

I thought of you tonight, in silent seething heat  
Through charred and damned desire, dark Eros killing me  
Your lips like bruised vulva, your ass like Jesus feet  
Worth kissing, worth kissing

Give yourself to me, I share your need  
Give yourself to me, I share your need  
Give yourself to me, I share your need  
Give yourself to me, I share your need

Kiss me through your warming darkness  
Kiss me now so I can breathe  
Kiss me once then I am leaving  
Kiss me once then kiss yourself goodbye

I thought of you tonight, in simple twists and turns  
Incarcerated here, I'm handcuffed to this world
