

Therapy?, Animal Bones

You're a piece of shit
You're a piece of shit

You need the enemy
You need someone to crush
Somebody weaker than you
To make you feel strong enough

Fuck democracy
Do as I say
Your ideas get in the way

You're nothing but a scrawny little piece of shit
You're gonna die anyway

You'll die alone
Lonely and cold
Honey I'm home
But I'm just animal bones
But I'm just animal bones
But I'm just animal bones
But I'm just animal bones

You need the enemy
You need someone to crush
Some fucker weaker than you
To make you feel strong enough

Fuck democracy
Do as I say
Your ideas get in the way

You're nothing but a scrawny little piece of shit
You're gonna die anyway

You'll die alone
Lonely and cold
Honey I'm home
But I'm just animal bones
I'm just animal bones
I'm just animal bones
I'm just animal bones

Son of a bitch!

You're a piece of shit
You're a piece of shit
You're a piece of shit (Body bag full of bones, you will die, you will die alone)
You're just a piece of shit (Body bag full of bones, you will die, you will die alone)
