

# Therapy?, Die Laughing

Gimme something to breathe  
Give me a reason to live  
Close your eyes and see  
What you have inside

I think I've gone insane, I can't remember my own name  
I think I've gone insane

Now the dream is gone  
And your friends just tell you lies  
Then you realise  
You're gonna die anyway

I think I've gone insane, I can't remember my own name  
I think I've gone insane, I can't remember my own name  
I think I've gone insane, I can't remember my own name  
I think I've gone insane

Lost in a world with no reality  
I'm frightened to move  
I'm frightened to speak  
And I will kill for a good night's sleep  
I'm feeling, I'm feeling dead, dead, dead, dead

I think I've gone insane, I can't remember my own name  
I think I've gone insane, I can't remember my own name  
I think I've gone insane, I can't remember my own name  
I think I've gone insane

I can't remember  
I can't remember  
I can't remember  
I can't remember
