

# Therapy?, Hypermania

When did this feeling start? (What are you thinking?)  
Are you serious? (How long have you had these thoughts?)  
Who are you now? (Do you feel lonely?)  
Do you fantasize? (Do you have dreams?)

Are you real?  
Are you real?  
Are you real?  
Are you real?

What are you talking about? (Do you really care?)  
Who do you think you are? (What turns you on?)  
Who cares? (What's so funny?)  
How do you know you exist? (What kind of answer is that?)

Are you real?  
Are you real?  
Are you real?  
Are you real?

Are you real? (Is this real?)  
Are you real? (Is this real?)  
Are you real? (Is this real?)  
Are you real? (Is this real?)  
Are you real? (Is this real?)  
Are you real? (Is this real?)  
Are you real? (Is this real?)  
Are you real? (Is this real?)
