

Therapy?, This One's For You

This could be my testimony, checking in, matrimony
I don't owe you negatory, nothing
On the dark nights when the windows fail
Got no escape from suburban gaol
I don't owe you negatory, nothing

'Cos I live in darkness
And I see no reason
Love is the devil
Whatever you do
This one's for you

You could be the anti-story, got me on my back
Got me feeling negatory, and I'm never looking back

'Cos I live in darkness
And I see no reason
And love is the devil
Wherever you go
And I don't want to know
I live in darkness
And I see no reason lately
I live in darkness
Whatever you do
This one's for you

Champagne for my real friends (Champagne for my real friends)
Real pain for my sham friends (Real pain for my sham friends)

'Cos I live in darkness
And I see no reason
And love is the devil
Wherever you go
And I don't want to know
I live in darkness
I see no reason lately
I live in darkness
Whatever you do
This one's for you

(This one's for you)
(This one's for you)
(This one's for you)
(This one's for you)

This one's for you
