

Therion, Close up the streams

"Close up the streams", i was told
"look, (the) meadows have drunk enough"
In words like this, there's a sign: a secret i will proclaim
Run to meet me, said the voice
Run to meet me, walk to me
Gghn mis, gghn mis
Run to meet me, walk to me
Rivos iam clavde
Pver sat prata bibervnt
Close up the streams, now it's time for revelations to come
Angels are grinding their swords
Muses are singing their song
Run to meet me, said the voice
Run to meet me, walk to me
Gghn mis, gghn mis
Run to meet me, walk to me
Rivos iam clavde pver sat prata bibervnt
