

Therion, Melek Taus

Fly, Great Bird Taus- Fly to the sun
Your feathers and the crown, the symbols of your strenght
Taus (in) your follower's dance
The offspring of Azael- Accused as apostates
But they're blessed by Melek al Kawat ask whose guest shall the Sanjak be?
Melek Taus
Sheik Adi, Yezid- Say Hol hola!
The Peacock Lord is here, the Serpent King will rise
Seven angels, seven Seith- Waiting on Mount Lalesh
Until the day they hear you pronounce: "As behre Azide Sarum!"
Hear the Peacock Lord declare: "Don't say my secret name!
I was, am now and shall have no end... you will know me as Melek Taus"
