

They Might Be Giants, Dead

I returned a bag of groceries
Accidentally taken off the shelf
Before the expiration date
I came back as a bag of groceries
Accidentally taken off the shelf
Before the date stamped on myself

Did a large procession wave their (Did a)
Torches as my head fell in the basket, (large pro-)
And was everybody dancing on the casket? (cession dance?)

Now it's over I'm dead and I haven't done anything that I want (now it's over)
Or, I'm still alive and there's nothing I want to do

I will never say the word
"Procrastinate" again; I'll never
See myself in the mirror with my eyes closed
I didn't apologize for
When I was eight and I made my younger brother
Have to be my personal slave

Did a large procession wave their (Did a)
Torches as my head fell in the basket, (large pro-)
And was everybody dancing on the casket? (cession dance?)

Now it's over I'm dead and I haven't done anything that I want (now it's over)
Or, I'm still alive and there's nothing I want to do

(So) So I won't
(Sit) sit at home
(And) anymore
(And) and you won't
(And) see my head in
(And) the window
(And) and I won't
(And) be around
(And) ever anymore
(And) and I'll be up there on the wall at the store

I returned a bag of groceries
Accidentally taken off the shelf
Before the expiration date
