

# They Might Be Giants, E Eats Everything

A hardly has an appetite  
And pokes at food too long  
And B can barely bother  
Because all the food is wrong  
C likes only candy  
And chocolate by the box  
D is just disinterested  
In anything you've got

But E eats everything  
Yeah, E eats everything  
E eats everything  
Yeah, E eats everything

So toss in on a plastic plate  
Or stick it with a fork  
Serve it with a shovel  
Or serve it on a spork

Yeah, E eats everything  
Yeah, E eats everything

F is far too fussy  
And only eats with fancy wine  
G eats only gourmet  
But never can decide  
H burns food so horrible  
All I tastes is smoke  
J just likes drinking juice  
And K drinks only soda

But E eats everything  
Yeah, E eats everything

E is eating in a moving car  
E is eating upside down  
E is eating on a spaceship  
E is eating off the ground  
L and M and N and P  
Won't start 'til O arrives  
Q and R and S and T  
Are wearing clothes much too tight  
U and V and W  
Are worn out from this song  
And X and Y just will not share  
And will not get along

But E eats everything  
Yeah, E eats everything

But look out now, here it comes  
That final letter Z  
Now Z's not like other letter  
Z's only eating E's  
Yeah, Z eats E's  
Yeah, Z eats E's  
Z eats E's  
Yeah, Z eats E's
