

# They Might Be Giants, Hearing Aid

Frosty the supervisor  
Lives by himself  
Sometimes I feel sorry for him  
Usually I can't

I've turned off my hearing aid  
Don't say the electric chair's not good enough  
For king-lazy-bones like myself

More coffee for me boss  
'Cause I'm not as messed up as I want to be

I've turned off my hearing aid  
Don't say the electric chair's not good enough  
For king-lazy-bones like myself

Because  
Because
