

# They Might Be Giants, How Much Cake Can You

The shining spoons of this town  
All point in your direction  
Can you keep a secret?  
We can trust you, we can throw you

Are you sitting on your feet?  
How much cake can you eat?  
Are you sitting on your feet?  
How much cake can you eat?  
Are you sitting on your feet?  
How much cake can you eat?  
Are you sitting on your feet?  
How much cake can you eat?
