

# They Might Be Giants, John Lee Supertaster

Mr. John Flansburgh: When I was 39 years old, I heard a story.  
I found out that there [are] people walking among us who have superpowers.  
These people are called Supertasters.  
To a Supertaster, bitter fruits taste far more bitter, and sweets far more sweet.  
Then, just a few months ago, I had the chance to meet a real, live Supertaster named John Lee.

And this is his true story:

Nothing tastes the same (nothing tastes the same)  
To a Supertaster (Supertaster)  
When he tastes a pear (tastes a pear)  
It's like a hundred pears (it's like a million pears)

He's got superpowers (superpowers)  
He is a Supertaster (Supertaster)  
Every flavor explodes (explodes and explodes)  
Explodes and explodes

John Lee Supertaster  
Tastes more than we do  
Everything has a flavor  
Some flavors are too much

Can't shut his mouth (can't shut his mouth)  
'Cause he's a Supertaster (Supertaster)  
Though he looks like a man (talks like a man)  
He is a Supertaster (Supertaster)

Can't drink coffee or beer (coffee or beer)  
'Cause he's a Supertaster (Supertaster)  
Loves ice cream and pie (ice cream and pie)  
He is a Supertaster

John Lee Supertaster  
Tastes more than we know  
Everything has a flavor  
Some flavors must go
