She's actual size but she seems much bigger to me (me me me me me me me)
It isn't bad
You know it's wicked and wild
_____ because we're versatile

Bigger we bigger
And ah, badder we badder
This is (says-a?) Miss Sensi
Along with Miss Linda

You know we're top-notch reggae
entertainer
Our music - lover

So what?
It isn't bad
You know it's wicked and wild
_____ versatile

Words fail
Buildings tumble
The ground opens wide
Light beams down from heaven
She stands before my eyes

She's actual size but she seems much bigger to me
Squares may look distant in a rearview mirror
But they're actual size
As she drives away

Big men often tremble
As they step aside
I thought I was big once
She changed my mind

She's actual size but she seems much bigger to me (ribbit)
I've never known anybody like her
She's actual size
Nationwide believe

Hit it! Hey!

Oh yeah!

You think she's big
You think she's larger than life

But if you open up your eyes
You see she's actual size

You think she's big
You think she's larger than life
But if you open up your eyes
You see she's actual

You know (your mind, you?) up upon a pedestal
You admire from afar like she's a china doll
You need to realize

So go ahead approach the girl it's up to you, it's your call

You think she's big
You think she's larger than life
But if you open up your eyes
You see she's actual size

You think she's big
You think she's larger than life
But if you open up your eyes
You see she's actual

She's got all the money
Money couldn't buy
She's got something special
That someone left behind
She's actual size but she seems much bigger to me
I've never known anybody like her
She's actual size
Actual size believe

Right?
Hit it!

Bigger we're bigger
And ah, badder we badder
This is Miss Sensi along with Miss Linda

It isn't bad
