

# They Might Be Giants, Now That I Have Everything

The mirror on the wall  
Won't talk to me at all  
Now that I have everything  
The place inside the frame  
Just doesn't look the same  
Now that I have everything

I wasn't always so fortunate  
But I knew what I had to do  
To be well-to-do  
And it had to do  
With the things I had to do

And I don't want anything  
I don't want anything  
Now that I have everything  
I can't tell things apart  
I don't know where they start  
Now there's everything don't remind me of yesterday

Put down that surfboard, no, please don't say  
All the things I think I know that you're about to say  
"Everything is everything," is what you're just about to say

There was a program, sort of an inquiry  
Into what would be  
Just the thing for me  
If it came to be  
I would have to wait and see

And I don't want anything  
I don't want anything  
Now that I have everything  
I can't tell things apart  
I don't know where they start  
Now that I have everything

And the mirror on the wall  
Won't talk to me at all  
Now that I have everything  
The place inside the frame  
Just doesn't look the same  
Now there's everything don't remind me of yesterday  
Now there's everything don't remind me of yesterday  
Now there's everything don't remind me of yesterday (Babool Babool)  
Now there's everything don't remind me of yesterday (Babool Babool)  
Now there's everything don't remind me of yesterday (Babool Babool)  
Now there's everything don't remind me of yesterday (Babool Babool)  
Now there's everything don't remind me of yesterday (Babool Babool)  
Now there's everything don't remind me of yesterday (Babool Babool)  
Now there's everything don't remind me of yesterday (Babool Babool)  
Now there's everything don't remind me of yesterday (Babool Babool)  
Now there's everything don't remind me of yesterday (Babool Babool)
