

They Might Be Giants, Oranges

Oranges, oranges,
Oranges and graphic design.
The Chopping Block spends their days, growing

Oranges, and picking oranges,
Then working on graphic design.
The Chopping Block works all the time!

We work the day shift, and
We work the night shift, and
We work the grave yard shift!

Oranges, oranges,
Oranges and graphic design.
The Chopping Block spends their days, growing

Oranges, and picking oranges,
Then working on graphic design.
The Chopping Block's working all the time.
