

They Might Be Giants, Sketchy Galore

And he looks down, down, down, down
And he looks down, down, down, down
And he looks down, down, down, down
And he looks down, down, down, down

Waitin' on Sketchy
Standin' for Sketchy
Payin' for Sketchy, Mr. Sketchy Galore
Take it from Sketchy
Two cheers for Sketchy
Stolen by Sketchy, Mr. Sketchy Galore

Sketchy Galore stands in the hall outside my door
Sketchy Galore is scratching his head with a flashlight
And looks around the hall like he lost a dollar bill
Or he found a dollar bill before

E is for Sketchy
E is for Sketchy
K is for Sketchy, Mr. Sketchy Galore
Listen for Sketchy
Get lifted with Sketchy
And no one likes Sketchy, Mr. Sketchy Galore

Sketchy Galore lives on the floor below my floor
Sketchy Galore walks 'round at night with no lights on
If he ever had a job, it must have been a job
For a guy like Sketchy Galore

And he looks down, down, down, down
And he looks down, down, down, down
And he looks down, down, down, down
And he looks down, down, down, down
