Thievery Corporation, All that we perceive

Everything that's real And everything unrealized All infinity Starts falling from your eyes We are fluid dreams Vivid memories All uncertainly Leads to eternity All that we perceive In every mystery Who are we What we see I can't comprehend Who are we What we see I can't comprehend Illuminating love falls from the skies To water the illusions in our eyes All that we desire and all we fear All our aspirations grow unclear We feel endlessly Beyond all gravity Who are we What we see I can't comprehend Wo are we What we see I can't comprehend
