

# Thievery Corporation, Heaven?s Gonna Burn You

Do you applaud fear  
Do you hold it near  
Are you afraid to live your life  
The way I perceive  
In my arms Ill catch you  
Do you mind If I always love you

Heavens gonna burn your eyes

Youll see  
In my dream Ill catch you  
Into my arms Ill catch you  
Do you mind if I always love you

Heavens gonna burn your eyes
