

# Thievery Corporation, Revolution Solution

Oh Ive hoped for comfort  
But Ive never felt too safe  
And in this hard life  
Ive had to navigate through  
Unexhausted  
Has been my virtue

Oh Ive hoped for comfort  
But Ive never felt too safe  
And in this hard life  
Ive had to navigate through  
Unexhausted  
Has been my virtue

They set themselves against I  
They set my pride on fire  
Phoenix always rises high  
Rebel crusader  
Driven to decisions  
They trapped me into

The Revolution Solution  
Oh Ive come to join you

Oh Ive hoped for comfort  
But Ive never felt too safe  
And in this hard life  
Ive had to navigate through  
Unexhausted  
Has been my virtue

Oh Ive hoped for comfort  
But Ive never felt too safe  
And in this hard life  
Ive had to navigate through  
Unexhausted  
Has been my virtue

The paradox of poverty  
Has left us dismayed  
Sliding democracy  
Washing away  
The toil of the many goes  
To the fortunate few

The Revolution Solution  
Oh Ive come to join you

The toil of the many goes  
To the fortunate few

The Revolution Solution  
Oh Ive come to join you
