

Thin Lizzy, Opium Trail

I took a line that leads you to the opium trail
Oriental eyes reveal the lies, deceit, betrayal
On this journey behold one who travels far
You called him fool but now you are

The wizard wanders through the world made from dreams
The splashing whirlpool drowns the frightened streams
Exotic dancers, flashing lancers, this mysterious space
The fanfare advances, the warlord falls from grace

It clears your pain
But it's got you claimed again, my love
You feel the need but it lets you bleed
You must concede, my love

No one to blame, no shame
You crave again and again, my love
No used to plead from you
It feeds on your greed, my love

I took a line that comes from the golden states of Shan
The smugglers trail that leads to the opium den
The Chinese connection refines to heroin
Depart the heart you crave again

It clears your pain
Your soul is claimed again, my love
You feel the need, it lets you bleed
You must concede, my love

No one to blame, no shame
You crave again and again, my love
No use to plead
From you it feeds, my love
