

# Third Day, Born Again

Well today I found myself  
After searching all these years  
And the man that I saw  
Wasn't at all who I thought it'd be

I was lost when you found me  
I was broken beyond repair  
Then you came along  
And you sang your song over me

It feels like I'm born again  
It feels like I'm living  
for the very first time  
for the very first time  
in my life

Make a promise to me now  
Reassure my heart somehow  
That the love that I feel  
Is so much more real than anything

I have a feeling in my soul  
And I pray that I'm not wrong  
That the life I have known  
Is only the beginning

It feels like I'm born again  
It feels like I'm living  
for the very first time  
for the very first time  
It feels like I'm breathing  
(echo) It feels like I'm born again  
It feels like I'm moving  
(echo) It feels like I'm living  
for the very first time  
(echo) for the very first time  
for the very first time  
(echo) for the very first time

Wasn't looking for  
Something that was more  
Than what I had yesterday  
Then you came to me  
And you gave to me  
Life ever Lord
