

Third Day, Born Again

Well today I found myself
After searching all these years
And the man that I saw
Wasn't at all who I thought it'd be

I was lost when you found me
I was broken beyond repair
Then you came along
And you sang your song over me

It feels like I'm born again
It feels like I'm living
for the very first time
for the very first time
in my life

Make a promise to me now
Reassure my heart somehow
That the love that I feel
Is so much more real than anything

I have a feeling in my soul
And I pray that I'm not wrong
That the life I have known
Is only the beginning

It feels like I'm born again
It feels like I'm living
for the very first time
for the very first time
It feels like I'm breathing
(echo) It feels like I'm born again
It feels like I'm moving
(echo) It feels like I'm living
for the very first time
(echo) for the very first time
for the very first time
(echo) for the very first time

Wasn't looking for
Something that was more
Than what I had yesterday
Then you came to me
And you gave to me
Life ever Lord
