

# Third Eye Blind, Help Me Now

I'm in danger  
In a manger  
In the country  
At age ten

I have a quarter  
At the border  
But the guards  
Won't let me in

Met a person  
With some burbon  
Just outside of  
Germany

Asked me what are  
you doing in  
the bad place of  
Timothy

I said to him  
I'm pursuin'  
the gigantic  
crystal seed

All over the  
Lands of Scotland  
Then I told him

I know you can help me now!  
You are the one with the key!  
You must help me now,  
With the power of fantasy!
