

Third Eye Blind, Non Dairy Creamer

They call it KFC
Cause its not really chicken
Hot Cheetos, for breakfast
Make a young student sick and
Did you ever think someones tricking you..you..you..you

And the guy in the pulpit
Is a biggit and a liar
Some kid walks into my school and opens fire
Heard any good jokes lately
Cause we sure do need em
My punk bands called operation Iraqi Freedom

So whats it gonna be
Are you real to me
Or are you Non Dairy... Creamer

A new love, is burning up in me
Cause one in four american girls has an STD
And you can by yourself some implants
But you cant by a soul threat level orange

With your Chest pumped out
What are you so afraid about
With your chest pumped out
What are you so afraid about
What are you so afraid of
What are you so afraid of

And two gay guys got married
And brough the family to its knees
How did they blow us to smithereens
Just a couple of queens
How did they do it im telling you now
They brough marriage to an end
And i found myself some culprits
Its two young, gay.. Republicans
Young gay republicans
Young gay republicans
Young gay republicans

So whats it gonna be
Are you real to me
Or are you Non Dairy.. Creamer
Whats it gonna be
Are you real to me
Or are you Non Dairy.. Creamer
