

# Thirteen Senses, Contact

(Incoherent whispering; might include "are you ready?" and "out of fashion");  
If only there was time to say it all  
I'd say it all  
If only every sound that I made said it all

Oh  
Distant  
Warning  
Contact  
Warning  
Out of control

Wake up from your sleep  
It's not a dream  
It's not a dream  
Everything is here on a breeze  
It's good for me

Now  
Distant  
Warning  
Contact  
Warning  
Out of control
