

Thirty Seconds To Mars, Avalanche

Utwór 'Avalanche' z albumu 'It's The End Of The World But It's A Beautiful Day' od Thirty Seconds

Time
Time to live our lives
Set the world on fire
From the ashes we will rise

You better run fast or get caught in the avalanche
You gotta break some rules if you ever wanna win again
Never say no, never ever get to neverland
You better run fast or get caught in the
(Caught in the)
Avalanche

Oh my god
What a year
The crimes and sins of everyone
We're covered in blood from the battles
That we have won

Life, don't let it pass you by
Open up your eyes
And from the ashes you will rise

You better run fast or get caught in the avalanche
You gotta break some rules if you ever wanna win again
Never say no, never ever get to neverland
You better run fast or get caught in the
(Caught in the)
Avalanche

Oh my god
What a year
The crimes and sins of everyone
We're covered in blood from the battles
That we have won

Ohhhh
Ohhhh
You better run fast or get caught in the avalanche
Avalanche

Ohhhh
Ohhhh
You better run fast or get caught in the avalanche
Avalanche

Time
Time to live our lives
Set the world on fire
From the ashes we will rise
