

# Thomas Godoj, Brand New Start

I didn't know  
That all I needed  
Was right outside my door  
Did you know?  
My world was collapsing  
I had to let things go  
Do you know?  
How hard I was trying  
To keep this love alive?  
Even though  
It's better to move on  
I still hurts inside  
You must be strong now  
So here we stand now  
And you know that I still carw  
A brand new start  
Starts with a broken heart  
And though Our lives must part  
I want to thank you  
It's a new start  
So walk putside alone  
And find a loving home  
A brand new start  
Starts with a broken heart  
Let it go  
What we once treasured  
Slowly slipped away  
You must must know  
I'll carry the memories  
And time will mend the pain  
Come to me  
My arms are around you  
For the very last time  
We both know  
We're changing the lanes now  
We're heading for seperate lives  
You must be strong now  
So here we stand now  
And you know that I still carw  
A brand new start  
Starts with a broken heart  
And though Our lives must part  
I want to thank you  
It's a new start  
So walk putside alone  
And find a loving home  
A brand new start  
Starts with a broken heart  
But when you feel  
Everything's said  
When you're standing there hurt  
You can see it in her eyes  
And it's so hard  
To leave it all behind  
To turn and say goodbye  
It's a new start  
So walk outside alone
