

# Thomas Godoj ft. Benjamin Herd, Alone again

Thomas:

Im not a loser,  
but I lost my heart (ooh my love)  
Im not a winner,  
but you broke apart (ooh my love)  
Why do fools just fall in love,  
I cant explain  
to you..

Refrain:

Alone again  
Going with pleasure when we have much pain  
Some days are Diamonds and some days we win  
But I will life for love again, again  
Dont let it end

Alone again

Sometimes its hard for me to understand  
Some days are Diamonds and some days it rains  
But baby give us just a second Chance,  
Dont let it end

Benni:

Im just a prisoner  
of your secret love (ooh my love)  
Im learning about love  
I cant get enough (ooh my love)  
Im a fool, to fall in love,  
but babe I still love youuuu

Refrain:

Alone again  
Go ahead with pleasure when we have much Pain.  
Some days are Diamonds and some days we win,  
but I will life for love again again,  
Dont let it end

Alone again

Sometimes its hard for me to understand  
Some days are Diamonds and some days it rains  
But baby give us just a second Chance

Dont let it end

Dont let it end

Dont let it end

yeahhh

Dont let it end

Both:

Alone again  
Sometimes its hard for me to understand  
Some days are Diamonds and some days it rains  
But baby give us just a second Chance  
Dont let it end  
Dont let it end
