

# Those Dancing Days, Tasty boy

You are hot skim milk in my throat  
Just like cinnamon chai, tasty boy  
Your finger touch, marvellous marshmallows  
You are crispy like a cheese doodle  
You taste like cloudberry ice cream  
Soft and smooth

(x4)

To kiss your skin tastes like salty shrimps  
On my seven eleven night sandwich  
My favourite flavour hoe, pasta with pesto  
You remind me of banananananana split  
Squeeze, squeeze  
Squeeze, squeeze  
Squeeze an orange in to juice
