

# Three 6 Mafia, Take A Bump

Chours: Lord Infamous

Break bre break bre breakout the dollar and take a bump  
Pick out the seeds and spit the blunt  
If you wanna get numb froze and slump  
If you got what I want won't you give me some

(Juicy &quot;J&quot;)

How high can you get on that fruity fruit (fruity fruit)  
How high can you get sippin gin and juice(gin and juice)  
How high can you get sittin next to me(next to me)  
How high can you get on that extasy (extasy)  
How high can you get on the ball of snow(ball of snow)  
How high can you get wit a Optimo(optimo)  
How high can you get in a bathroom(bathroom)  
How high can you get in the class room(classroom)

(DJ Paul)

Now how high can you get when you fuck with that 6  
Now how high can you get if you take a lil hit  
Now how high can you get if you snort a lil bit  
Bout as high as you was before you started lil bitch  
Now how high can you get if you snort the whole gram  
I could answer that question you'll be as high as I am  
Now how high can you get off a cup of my 'tail  
A designated driver need it cause you goin to jail dont play

(Chorus) 2x

(Gangsta Boo)

Uh, The old Gangsta Boo would run up in yo house (for real)  
Blackhaven style put the glock up to ya mouth (klack klack)  
I'm trippin like this is an ana song  
Crunchy Crazy Azz gotcha trippin on this weed bong

(Cruncy Blac)

Uh , Uh, Uh, You could trust me  
sell you straight weed or some straight P  
Lately I've Just been me nigga me nigga hate me  
I be smokin on the fuckin bud nigga lately  
Now y'all gonna hate up on a thug

(Gangsta Boo)

Yo yo yo Yeah for real you be high like that,  
snortin up the powder pack ,  
pure white funky town take me where the chronic at  
Tiger Market cup filled with hennessy and sprite  
for all night hit me up 404 yeah right

(Crunchy Blac)

uh uh uh Nigga lately on ya fuckin P milli me it be dank weed  
Nigga cant you see cant you see  
i be stumbilin stumbilin in the fuckin street  
I be crumbilin crumblin down the fuckin weed nigga dank weed

(Chorus) till fade
