Heard you talkin loud at the tuff I guess to gang your pops
Man this ain't no radio station boy quit tryin to pump your watch
Police yellow tape somebody blood they wipin wit a mop
What a witness saw when we here roll on down your corner block
The mafia boys we got the toys make you drop it off
Pass me the gun I take the handle then saw it off
Bust in the bank and make you faint before I knock it off
Hummm on the drank and full of dank ready to break the law

(Verse 3)

Creepin carefully through the street because it very real in the field
Ain't no love for pity ain't nobody cut you no deal
Everyone I know they do whatever just to get a meal
Or whats in the bottle or the baggie or whats under seal
Careful of the company you keep everyone a treal
Cause when robbas mobbas double jaw just to bust appeal
You got hustlas dealas bankin every town every field
Guess what I don't hang around the brothas so so mass a gil
Crunchy Black in this bitch im bout to bring the pain
Ain't no gang in my slang do you understand
Mess with me then your messin with the grownest man
Where im from from the slum niggas shootin a thang
On the run now you see me in the papers man
They was tryin to stop a nigga from doin his thang
Cant ya mug is the song that im singin man
Hypnotize got me gold diggin for the chain
