

Three Days Grace, Over And Over

I feel it every day
It's all the same
It brings me down
But I'm the one to blame
I've tried everything
To get away

So here I go again
Chasing you down again
Why do I do this

Over and over
Over and over
I fall for you
Over and over
Over and over
I try not to

It feels like every day
Stays the same
It's dragging me down
And I can't pull away

So here I go again
Chasing you down again
Why do I do this

Over and over
Over and over
I fall for you
Over and over
Over and over
I try not to
Over and over
Over and over
You make me fall for you
Over and over
Over and over
You don't even try

So many thoughts that
I can't get out of my head
I try to live without you
Every time I do I feel dead
I know what's best for me
But I want you instead
I'll keep on wasting all my time

Over and over
Over and over
I fall for you
Over and over
Over and over
I try not to
Over and over
Over and over
You make me fall for you
Over and over
Over and over
You don't even try to
