

Three Dog Night, Woman

(A.Frazer & D.Rogers)

Carry me away
I know your angel eyes can see through me
Carry me away
Far from the love you give so generously
So generously
Woman, woman
I got a burning heart
I need to call
And tell you that's its you that I love
I've got a burning heart
I need to tell you that's its you that I love
I've got a burning heart
I need to tell you that I'll never get enough, yeah
Never, never, never, never, never, never, never get enough
Woman

Woman, I know you understand
The way that I feel, feel
Can't you hear me?
I'm a callin' your name
I want to make love to you
Lord, oh Lord, I want to hold you so much
Let me feel all about ya
Woman and I got a woman
Let me make love to you
Woman I love ya
Woman Oh no, no, no, no
Woman Oh, no
Woman (carry me away, carry me away)
Woman, carry me away
