(A.Frazer & amp; D.Rogers)

Carry me away I know your angel eyes can see through me Carry me away Far from the love you give so generously So generously Woman, woman I got a burning heart I need to call And tell you that's its you that I love I've got a burning heart I need to tell you that's its you that I love I've got a burning heart I need to tell you that's its you that I love I've got a burning heart I need to tell you that I'll never get enough, yeah Never, never, never, never, never, never get enough Woman

Woman, I know you understand The way that I feel, feel Can't you hear me? I'm a callin' your name I want to make love to you Lord, oh Lord, I want to hold you so much Let me feel all about ya Woman and I got a woman Let me make love to you Woman I love ya Woman Oh no, no, no, no Woman Oh, no Woman (carry me away, carry me away) Woman, carry me away
