

# Three Doors Down, Duck and run

To this world I'm unimportant just because I have nothing to give  
So you call this your free country tell me why it costs so much to live  
Tell me why

This world can turn me down

But I won't turn away oh no

I won't turn around

All my work and endless measure never seem to get me very far

Walk a mile just to move an inch now even though I'm trying so damn hard

I'm trying so hard

This world can turn me down

But I won't turn away

And I won't duck and run, cause I'm not built that way

When everything is gone there is nothing here to fear

This world cannot bring me down

No cause I'm already here, oh no!

I am already here, down on my knees

I am already here, oh no, I am already here

I must have told you a thousand times I am not running away

I won't duck and run

I won't duck and run

I won't duck and run

No I pass away

This world can turn me down but I won't turn away

And I won't duck and run, cuase I'm not built that way

When everything is gone there is nothing there to fear

This world cannot bring me down

No cuase I am already here

This world can turn me down but I won't turn away

And I won't duck and run, cuase I'm not built that way

When everything is gone there is nothing there to fear

This world cannot bring me down

No cuase I am already here
